**FOR IMMEDIATE RELEASE**

**April 26, 2010**

**The Diamond Manufacturers & Importers Association of America (DMIA) is proud to announce the completion of a strategic corporate travel agreement with Jet Airways. This agreement provides discounts on the price of travel as well as the removal of all travel restrictions for members of the DMIA.**

**Jet Airways, India's premier domestic and international airline, is a first class international carrier with a fleet of new and state-of-the-art aircraft. They are the only international carrier offering daily non-stop service from both New York area airports to Brussels with fully flat sleeper seats in Business Class.**

**Under the terms of the agreement, DMIA members will be able to enjoy substantial cost savings in both coach and business class travel to all major international diamond centers, including Brussels, Mumbai, and Tel Aviv, as well as many other international destinations. Additionally, the DMIA's agreement with Jet Airways will eliminate all traditional fare restrictions, including cancellation and flight change fees and penalties, as well as minimum stay, Saturday night stay-over and advance purchase requirements.**

**This agreement is part of a comprehensive DMIA strategy to obtain significant discounts for its members, with the goal of enhancing membership value. Additional discounts have been secured and will be announced at the General Membership Meeting on Wednesday. [Information will be available thereafter by going to our website [www.dmia.net](http://www.dmia.net).]**
